
Broughshane Farmer Tragically Loses Life in Farming Accident

Description

On August 7, 2024, Noel Boyd, a father of three, died in a farming accident in Broughshane, Co Antrim. The incident is under investigation by the Health and Safety Executive for Northern Ireland (HSENI), which confirmed that the death is not being treated as suspicious. Boyd's family described him as a "dearly loved husband" and a significant figure in the community.

This incident marks the third farming-related death in Northern Ireland within four weeks. Prior to Boyd's death, Richard Ruddell, a 55-year-old father of three, died in a farming accident in Co Armagh on July 26, 2024. Additionally, another man in his 70s was killed in a farming incident in Co Derry on July 20, 2024.

In the 2023/2024 period, there have been seven farm-related fatalities in Northern Ireland. The Health and Safety Executive (HSE) reported a total of 34 deaths on farms across the UK during the same timeframe. These statistics highlight ongoing safety concerns in the agricultural sector, prompting calls for improved safety measures and awareness among farmers.
